

## EMERGENCY SUPPORT

Unexpected sickness, ill fortune, grief, even death – nothing you want to experience during your stay whether you are a resident or a visitor, but also in these difficult times we are here to offer our support.

We work together with the consulates, provide hospital and home visits and make sure you get the right contacts for your needs.

## CONTACTS IN CASE OF EMERGENCY

For all emergencies call 112.

You will be put through to the police, ambulance service or fire brigade. The emergency services, besides attending the calls in Spanish, also use English and German.

## GET TO KNOW US

We are a parish with a mission!  
We aim to work closely with the other churches, to offer a united and friendly welcome to people from all over the world, and we are blessed to have so many visitors to our worship.  
This brings to us a wonderful diversity of culture and language in which we rejoice and give thanks to God.  
We are blessed too, to have a regular congregation, who support the ministry and mission of the Chaplaincy.

Whether you are a long-term or new resident, a regular visitor or simply here on holiday, please be assured of a very warm welcome at all our services and events.

Once a month, we go out for lunch together with residents and visitors to simply enjoy ourselves, chat and eat together in one of our favorite restaurants all over the island.

Please get in touch to join one of our next „Apostles Lunches“ or download our Newsletter with detailed information from our website.

## WEDDING BLESSINGS

*“It is essential that those who wish to seek God’s blessing on their marriage are welcomed and encouraged as they begin their life together. I will do everything possible to facilitate that Holy Sacrament.”*

We would be delighted to welcome you to the island and help in arranging that very special Blessing of your Marriage or a Renewal of Vows in these idyllic surroundings.

We are working together with all major wedding planners and venues.
