MESSAGE FROM THE CHAPLAIN

Dear friends

Over these past very difficult months the one thing that has been often overlooked has been the pressure upon Chaplains and those charged with the responsibility of leadership. Here in the Archdeaconry of Gibraltar our strength has been in the closeness of the family of the Church. As clergy we have spent hours in virtual meetings and the word Zoom has become common place in our diaries.

On one of our Living Room Services the reflection was offered by our own Bishop David – his words of encouragement stayed with us throughout our restricted months – and that was to reassure us that we are never alone, for our Lord Jesus Christ is there in our midst. That reassurance helped us enormously.

As clergy we met every month by Zoom and our Archdeacon David Waller brought us together with a smile, offering his help in so many ways. Little did we know that behind that smile was the pain of knowing that his dear wife - Julie - had suffered a reoccurrence of her cancer. Last week we were all devastated to have news of her death. We send our love to David and Katie and we ask you all to hold them in your thoughts and prayers – we now need to support David as he has supported us.

Yours in Christ

Fr Stan - Chaplain
